Re: Letter of Recommendation for Rhodes Custom Pools, Inc.

To Whom It May Concern:

Recently we hired Rhodes Custom Pools, Inc. to perform repairs on one of our swimming pools. They had to replum the pump, fibreglassed in new skimmers, ran a pressure check, and had to jack hammer out concrete to complete these tasks. We found Scott Rhodes to be very knowledgeable, skilled, professional, responsive and very friendly.

Scott scheduled us in a very timely manner and showed up on time. He clearly explained all the work that needed to be done, and how he would do it. Scott put in a lot of hours on our job and made sure it was done right. Scott takes his work seriously and did what was necessary to ensure our pool was completed to our full satisfaction.

I am sure that anyone hiring Scott and Rhodes Custom Pools Inc. will be pleased with his work ethic, response, price and the finished product. I would recommend him for any swimming pool project that needs to be done, and will use them in the future should the need arise.

Sincerely,
